If an event is in progress, please respect that event. Reservations will be posted at the Pavilion. Please be sensitive to the fragile environment of the lake, riparian areas, golf links, Ponderosa Park, and other areas surrounding the Pavilion. For more information please call the Lake House Concierge at (541) 593-4851.

Caldera Lakes

The Caldera lakes are for the exclusive use of owners, their accompanied guests and guests renting a home or Cabin in Caldera Springs. You must have your owner card or rental access card on your person at all times when using the lakes. If you are fishing in the lakes, please check-in at the Provisioner Golf Shop. Please note that we recommend barbless hooks, and all fishing is "catch and release" except by permission, to ensure the safety and preservation of our fish. Only small canoes, kayaks and personal float tubes are allowed in the lakes. Kayaks and small canoes may be rented from the Provisioner Golf Shop Memorial Day through Labor Day for a fee. The lakes are not intended for swimming. In winter months, please stay off the lakes as the ice that forms is unstable.

Bike Paths and Soft Walking Paths

No motorized vehicles are allowed on the pathways, with the exception of Segways and mobility tools for the disabled. A limited number of bicycles are available for rent at the Provisioner Golf Shop from Memorial Day to Labor Day. Bikes are not allowed on the soft bark chip trails or off pavement, but are only permitted on paved pathways and roads.

Pets in the Community

Pets must be leashed at all times. Each owner or guest is solely responsible for his or her pet and shall ensure that pets do not create a nuisance or otherwise damage any portion of the property. Pets shall be on a leash at all times and you must clean up after your own pet.

Occupancy

Occupancy of residences is limited by Deschutes County Code which currently provides a maximum overnight occupancy for dwelling units of two persons per bedroom or sleeping loft, plus two additional persons. Owners are responsible for their guests, including their renters, and responsible for the compliance to any and all rules and regulations of the Owners Association and all applicable laws.

Noise and Nuisance Restrictions

Owners and their guests shall not engage in any action which is disturbing to others such as allowing their pet to create excess noise, playing loud radios, stereos, televisions or musical instruments, loud conversing, or other activities that disturbs the enjoyment of other residents and guests in Caldera Springs. All activities that create noise or disturbance to neighbors in any way shall cease by 10:00 p.m.

Parking Restrictions

Parking of vehicles on and along streets within the Caldera Springs community is prohibited. Violators may be fined or towed. No more than one (1) vehicle per bedroom with a maximum of four (4) vehicles may be parked at a residence at any given time, and only in designated parking areas or in the driveway. Event parking at a residence may be considered when arranged more than 72 hours prior to the event and with the appropriate signage provided by the Community Manager.
